

ISMAILIA TEMPLE

Christmas Ceremonial Session

FRIDAY DECEMBER 14
1928

Shriner's Oath of Allegiance

IMMEDIATELY following the review of Ismailia Temple's marching Units in formation, the Potentate will cause the Nobility to render service to our National Emblem, which is in accordance with instructions contained in the following report made to the Imperial Council:

When the Color Guard, or Marshal, with his assistants presents the Colors at the altar after the Temple has been duly opened, the Potentate will cause the Nobility to come to attention and salute. After the salute is rendered, the following pledge will be recited in concert:

***"I pledge allegiance to my flag,
to the principles for which it
stands, one Brotherhood indivisi-
ble, with liberty and justice for
all."***

The Color Guard will then escort the Colors to their proper position while the Nobility continue at attention. The Color Guard will then return to the altar and the Potentate will seat the Temple.

The Potentate's Message

To the Nobility of Ismailia Temple:

The administration of the affairs of this Temple will soon be undertaken by another.

Always conscious of the great honor conferred upon me, I have endeavored to deserve that honor and unstintingly gave the best that was in me. I have been fully repaid for all I was called on to do by the new friendships I have made—friendships that I will cherish through my life.

It has been a glorious experience,—that of associating with Nobles who willingly worked and unselfishly gave of their time to the Temple. Heavy demands have been made—perhaps too heavy—on my officers, associates and friends. Nobles gave their utmost with no expectation of reward. I am grateful to them—the Temple is indebted to them. It goes without saying that their efforts should in some manner be rewarded.

To all I say—Carry On! The next administration cannot expect more unselfish devotion and unceasing effort than you have given me.

Wishing you the compliments of the season and health and prosperity for the New Year, I am,

Yours in the Faith,

GEORGE H. ROWE,
Potentate.

The Recorder's Page

It is always necessary for the Recorder to say something about DUES.

DUES are due on the first day of January, payable in advance.

During the month of January the Temple must remit to the Imperial Recorder the imperial dues and the hospital assessment. If a member neglects to pay his dues it necessarily becomes a hardship on our treasury and, furthermore, one can realize the amount of work it takes to follow up delinquents, so if our dues were all paid during the month of January it would be a great relief to our bookkeeping department.

Shrine Luncheon Club

Our SHRINE LUNCHEON CLUB is fast becoming one of the most popular luncheon clubs in the city and we want to continue its growth and popularity. With this end in view we will continue to furnish high grade entertainment of a comedy and musical nature as furnished through Michael Shea's Buffalo with the splendid cooperation of Charles H. Taylor and William Brereton, advertising managers of Shea's attractions. This, together with an outstanding speaker, is always interesting and adds materially to the success of the affair.

Shrine Headquarters

Many of our Nobles are not acquainted with our elegant Shrine Headquarters. Come in and spend your spare time here. Open from 9 A. M. to 11 P. M. every day except Sunday. You will find it very comfortable. For amusement you will find cards, dominoes, and games of various kinds, reading matter, and music, for through the courtesy of Neal, Clark & Neal, there is a very fine orthophonic victrola. Through the courtesy of Noble Elmore C. Green, Manager of the Hotel Statler, an up-to-date radio has been installed. In addition to all the rest you will find someone to chat with. Get in the habit of making your appointments to meet your friends at Shrine Headquarters—many are doing so.

Must Have Your 1928 Due Card

Don't forget that you must have your 1928 card for admittance to any sections of the ceremonial, either at the Hotel Statler or the Broadway auditorium. Don't tackle the outer guard without it, for he won't know you and we hate to tell you what he'll say. WEAR YOUR FEZ.

Santa Claus' Visit To Ismailia

Santa Claus will stop for a rest at Ismailia's Shrine Luncheon—Monday, December 24th. Santa wants to meet all the fathers, mothers and kiddies of Shrinedom. The Shrine Luncheon Club will hold its regular luncheon in the Ballroom of the Statler Hotel on that day—12 o'clock noon. There will be good music—carol singing and a Christmas address by the Rev. Charles D. Broughton.

This Christmas party will be the biggest family affair of the year. Be sure and send the Recorder your intentions of attending and the number you will bring with you. Children under 14 years of age free—others \$1.00. Presents for the kiddies.

There will be no luncheon Friday, December 21st.

Changes in Imperial Laws

The following changes in the Imperial Law were made at the fifty-fourth session of the Imperial Council:

BY-LAWS

- 1.—Under Article VIII, dealing with the Committees of the Imperial Council, in Section 63, insert after the term "Jurisdictional Lines" in the fifth line the words "and Temple Advisory." (Page 18.) The effect of this amendment is to create a new Committee.
- 2.—Section 78, pages 21, 22 and 23, was repealed to become effective December 31st, 1928.
- 3.—Add new Section 80, page 23, as follows:
"The Trustees of Georgia Corporation. At each annual election of officers, there shall be elected a Board of Trustees for Shriners' Hospitals for Crippled Children, a Georgia Corporation, to consist of seven members of the Imperial Council, who shall serve for one year and until their successors are elected and qualify."
- 4.—Add new Section 81, page 23, as follows:
"Temple Advisory Committee. The duty of the Temple Advisory Committee shall be to carefully investigate and determine the advisability of permitting the incurring of debts by any Temple for the purchase, construction, enlargement or improvement of buildings or Temples, or for any other purpose involving a sum in excess of \$10.00 per capita of Temple membership, and to consider such other matters as may be from time to time referred to it by the Imperial Potentate of Imperial Council relating to the general welfare of the Order."
- 5.—Effective December 31st, 1928, strike out the last clause of the first paragraph of Section 94, Page 24, beginning after the word "year" in the fourth line, as follows: "which dues shall include the member's subscription to the Shrine Magazine." In like manner, effective as of the same date, strike out the following in the second and third lines of the second paragraph of Section 94, Page 24, beginning after the word "dues"; including the proportionate part of the Shrine Magazine subscription."

CODE

- 6.—Add new Section 233, page 36, as follows:
"No Temple shall involve itself in debt for the purchase, construction, enlargement or improvement of any building or Temple or for any other purpose beyond \$10.00 per capita of the Temple membership until the ways and means of financing such undertaking have been referred to, considered and approved by the Temple Advisory Committee of the Imperial Council and its recommendation approved by the Imperial Potentate."
- 7.—Section 254, page 40, was amended and re-enacted to read as follows:
"A Demit is a certificate that at the time of granting such demit the Noble named therein was in good standing, and of good repute, and recommended as such to other Temples.
A Temple cannot withhold a demit from a Noble applying for same, provided he is free from charges and indebtedness to the Temple. No demit can be granted to a Noble accused of violation of the Laws of the Order, pending his trial. A Temple may issue a duplicate demit to a Noble, but must satisfy itself that the Noble asking for it is still in good repute.
A demit may be issued by the Potentate and Recorder of the Temple between regular sessions of the Temple, if deemed necessary. A record of demit so issued must be made, and made of record and reported to the Temple at its next succeeding regular session."

A demit, when granted, shall become effective for all purposes, as of the date of the filing of the application therefor with the Recorder of the Temple.

- 8.—Section 257, page 41, was amended and re-enacted to read as follows:

"A Temple may levy an assessment upon the members thereof, for purposes general to the membership, at a regular session of the Temple, after due notice to all members, which said notice shall state the amount of said proposed assessment, and the date upon which action shall be taken thereon. To be valid, such assessment must receive a two-thirds vote of those present and voting, and must be approved by the Imperial Council in a manner similar to the approval of amendments to the By-Laws of a Temple. When so passed by the Temple and approved by the Imperial Council, the assessment shall be binding on each member of the Temple as of the date of passage of the resolution levying the assessment and shall be paid as dues are paid. No card shall be issued to a member if his assessment or any installment thereof is in arrears. No demit shall be issued to a member until his assessment shall be paid in full."

- 9.—Attention is called to the following excerpt from the report of the Committee on Revision of Ritual, providing for a flag ceremony:

"In developing a flag ceremony, your Committee is of the opinion that we should submit for consideration a minimum requirement in this particular which should be made applicable to all the Temples of the Order, with the understanding that Subordinate Temples may develop and elaborate this ceremony. Some of the larger Temples are already using elaborate and beautiful flag ceremonies which are very impressive. It is not our desire to interfere with this practice, but we do recommend that the ceremony which is submitted in this report be incorporated as a part of any drill or ceremony used. In a great many cases it is found that bugle calls are used in connection with the activities of the Color Guard and that bands are rendering patriotic airs in keeping with the spirit of the occasion. Sometimes the National Anthems are sung by the entire Nobility with inspiring effect.

Your Committee suggests the following simple ceremony:

"When the Color Guard, or Marshal, with his assistants presents the Colors at the altar after the Temple has been duly opened, the Potentate will cause the Nobility to come to attention and salute. After the salute is rendered, the following pledge will be recited in concert:

I pledge allegiance to my flag, to the principles for which it stands, one Brotherhood indivisible, with liberty and justice for all.

The Color Guard will then escort the Colors to their proper position while the Nobility continue at attention. The Color Guard will then return to the altar and the Potentate will seat the Temple."

Potentates and Recorders are urged to familiarize themselves with the By-Laws and Code of the Imperial Council. Considerable unnecessary correspondence may be eliminated in this way.

The officers of Subordinate Temples are reminded that all Hospital Assessments collected by the Temples are trust funds and should not be used for any other purpose. Recorders are urged to forward these remittances promptly. The accounts of Subordinate Temples in the Imperial Recorder's office should balance at the end of each month.

Attention is especially called to the fact that remittances for the Shrine Magazine should be made as usual until the end of the year. The discontinuance of the Magazine at that time does not relieve the Temples of their usual obligations for the intervening period.

It is directed that this General Order No. 1 be read at the head of each Temple at the first session following its receipt, and record made of the same upon the minutes of the session at which it is read.

Given under our hands and seal of the Imperial Council this 15th day of May, A. D. 1928, and the Order A. H. 1346.

Attest:

JAMES H. PRICE,
Imperial Recorder.

FRANK C. JONES,
Imperial Potentate.

They never quite leave us, our friends who have passed,
Through the shadows of death to the sunlight above.
A thousand sweet memories are holding them fast,
To the place they blest with their presence and love.
